Type of work to be done: \_\_\_\_\_

Location (address or description of location in the road right-of-way or public place: \_\_\_\_\_

Reason for Work: \_\_\_\_\_

Name & Address of Contractor doing work: \_\_\_\_\_

It is expressly provided that the permittee is authorized to excavate in said road, right-of-way or public place, in conformity with the provisions of the Town of Wilson Ordinances, and shall be liable for any and all damages that may occur or result in consequence of the obstruction, excavation or occupancy of said place and shall erect and maintain such barriers as shall effectively prevent the occurrence of any accident in consequence or such occupancy, use or excavation. Any violation of the terms of this permit shall be subject to the penalties provided by the Ordinances of the Town of Wilson. The excavation, back-filling and restoration of the disturbed areas shall be as prescribed hereinafter and by the Town of Wilson Maintenance Supervisor.

1) Conditions

- a) Edge cuts and all pavements shall be even, sharp and straight.
- b) Excavating will be backfilled with sand.
- c) Roadbase will comply with Section 50.07 of the Town of Wilson Ordinances.

2) Warranty and Guaranty. The permittee warrants and guarantees to the Town that all work will be in accordance with the Ordinances of the Town and will not be defective in workmanship or material. Said permittee further warrants and guarantees that if part of said excavation is defective prior to the expiration of two (2) years after completion, the permittee shall pay all direct or indirect costs or repair, removal and replacement. If notice of defective work is given and the permittee fails to correct said defective work in fifteen (15) days, the Town may have the deficiency corrected and all direct and indirect costs of said correction shall be paid by the permittee and may be placed on the next succeeding tax roll as a special charge.
