Actual amounts are based on population, but plan for that ballpark figure. Don't forget the annual \$10 for the county unit dues, due by March. 😊</p> <p><i>Towns Focus on Nuts-and-Bolts Services:</i> <i>Town residents have a local government that is focused on basic public services like road maintenance, fire protection, snow plowing, building permits and lots of other services that people depend on every day. They know that towns are a lot like the corner hardware store -- places where Americans can still go to find people who are reasonable and knowledgeable, but rarely pretentious.</i></p> <p style="text-align: right;">~Borrowed from WTA Website</p>	<p>Do you have a future topic suggestion for our meetings?
